

The Johnson Center
AT FALCONS LANDING

Memo

To: All residents, family members, volunteers & visitors

From: John Loop, Director of Health Services

Date: March 11, 2020

RE: The Johnson Center / West Falls Visitation Update

Effective March 11, 2020, visitation to The Johnson Center and West Falls is restricted to Falcons Landing residents' spouses only until further notice. Falcons Landing resident spouses may not visit if they have symptoms of respiratory illness or fever.

We truly understand and empathize with the inconvenience this current visitation ban may cause. However, we believe following visitation guidance provided by the Center for Disease Control and Prevention (CDC) is necessary to protect our residents at The Johnson Center and West Falls Center and prevent or minimize the transmission of COVID-19 and seasonal influenza.

falconslanding.org

We will continue to monitor the situation closely and follow any additional guidance from the CDC and Virginia Department of Health. We will send updates or additional information to you if our procedures change. In addition, we will be posting general status updates on the Falcons Landing Facebook page. If you have any questions, please don't hesitate to contact me directly at jloop@falconslanding.org or (703) 404-5201 or Llena StaAna at lperez@falconslanding.org or (703) 404-5203.
